PROFILE

I am an active university student with experience in academic organizations, event coordination, and community service. I am proficient in using various applications such as Microsoft Office (Word, Excel, PowerPoint), Google Apps, Canva, Oracle APEX, CapCut, and Figma. I have been actively involved in university organizations and projects, including student learning communities, campus event committees, volunteering activities, and participation in the Information Systems Laboratory (Training and Competition Division). I possess strong teamwork, leadership, communication, and organizational skills, with a strong commitment to creating a positive and productive environment.

EDUCATION

- August 2024 - Present | BINUS University | Bachelor of Information Systems
 - GPA: 3,95 / 4.00
- July 2021 - May 2024 | Cinta Kasih Tzu Chi Senior High School | Natural Sciences Major
 - Average Score: 91,37 / 100

ORGANIZATIONAL EXPERIENCE

- February 2026 – Present | BINUS Student Learning Community (BSLC) | Regional Kemanggisian President
 - Led the overall operations of the BSLC Kemanggisian Region, ensuring the successful execution of organizational programs and the continuous development of student activists.
 - Conducted quarterly strategic review meetings with BINUS Student Support Office (SSO) staff to evaluate organizational performance, discuss progress, and align future initiatives.
 - Oversaw the implementation of regional work programs, ensuring activities were delivered effectively and aligned with organizational objectives and quality standards.
 - Coordinated cross-divisional collaboration and monitored regional performance to maintain operational excellence and foster continuous organizational improvement.
- February 2026 – Present | BINUS Student Learning Community (BSLC) | General Treasurer
 - Managed and monitored all organizational financial transactions, ensuring accurate and accountable cash flow.
 - Prepared monthly financial reports and coordinated budget allocation to support program execution.
 - Managed reimbursement requests and verified financial documents to ensure compliance with organizational financial policies.
 - Collaborated with event committees and internal stakeholders to monitor budget utilization and maintain transparent financial records.
- February 2025 - Present | Information Systems Case Study Club | Member
 - Joined regular training to strengthen analytical thinking and solve real IS/IT business cases individually and in teams.
 - Collaborated in teams to create strategic solutions for business-IT problems and prepared for national and international competitions.
 - Enhanced consulting skills through workshops and sharing sessions focused on IS/IT practices.
 - Represented the club in case competitions, applying structured problem-solving and strengthening teamwork under pressure.

● February 2025 - January 2026 | BINUS Business International Club | Activist of Research & Development

- Conducted research on trending business and international trade news, then rewrote and adapted the content for the club's Instagram feeds.
- Participated in workshops and seminars to develop skills in international business, entrepreneurship, and cross-cultural management.
- Collaborated with fellow activists to organize events that enhanced students' business, managerial, and leadership capabilities.
- Supported the planning and execution of programs aimed at improving hard skills, soft skills, and global competitiveness among BINUSIAN.

● February 2025 - January 2026 | BINUS Student Learning Community | Activist of People Development

- Researched ongoing competitions relevant to members' interests and prepared summary modules of all chapters as study materials before midterm/final exams.
- Served as PIC for Zoom review classes (responsi) before exams to support and facilitate mentors in delivering lessons smoothly.
- Collaborated with fellow activists to organize learning sessions aimed at improving academic performance and employability skills.
- Assisted in planning and executing academic and organizational development programs to enhance students' hard and soft skills.

PROJECT EXPERIENCE

● UI/UX Design Application using Figma for Inclusive Learning Platform (VocaRise)

- Designed a Figma-based learning application for individuals with intellectual disabilities, featuring large text, audio support, interactive animated visuals, and high-contrast colors to enhance accessibility.

● UI/UX Design Applications using Figma for Jakarta Traffic Solution (MetroMind)

- Created a Figma-based public transportation integration app providing real-time passenger density and arrival schedules for multiple Jakarta transport modes within a single platform.

● UI/UX Design Applications using Figma for Health Application with Wearable Device Integration (FitRace)

- Developed a Figma-based health app concept connected to wearable devices and linked to services like Halodoc, enabling real-time consultations with doctors to reduce inaccurate self-diagnosis.

EVENT EXPERIENCE

● BINUS Student Learning Community (BSLC)

- BSLC Class (May, 2025) – Logistic Staff: Ensured the fulfillment of equipment and material needs to be used during the event day.
- BSLC Pengabdian Kepada Masyarakat (July, 2025) – Event Staff: Ensured event day preparations ran smoothly and in accordance with the rundown.
- BSLC Expo (August, 2025) – Logistic Staff: Coordinated and prepared all required tools and supplies to support smooth execution on the event day.
- BSLC Welcoming Party (September, 2025) – Secretary and Treasurer: Assisted in proposal writing, reporting, and event coordination.

● BINUS Business International Club (BIC)

- BIC Expo (August, 2025) – Event Staff: Assisted in setting up and overseeing event activities to ensure smooth flow and participant engagement throughout the day.
- BIC Welcoming Party (September, 2025) – Event Staff: Supported the execution of the event by ensuring all preparations and activities followed the planned rundown.
- BIC Biconation (October, 2025) – Event Staff: Coordinated with team members to manage on-site needs and promptly address issues during the event to maintain a seamless experience.
